

WEEK 9 OVERVIEW

An aerial photograph of a residential neighborhood that has been completely inundated with floodwater. The water is a murky, brownish-grey color, covering the streets, yards, and surrounding areas. Numerous houses with various roof colors (brown, grey, red) are visible, partially submerged. Green trees are scattered throughout the landscape, some standing in the water. A central street runs vertically through the middle of the frame, with a few vehicles visible in the distance. The overall scene depicts a severe flooding event.
