

WEEK 12 OVERVIEW

An aerial photograph of a residential neighborhood that has been completely inundated with floodwater. The water is a murky, brownish-grey color, covering the streets, lawns, and yards. Numerous houses with various roof colors (brown, grey, red) are visible, some with water reaching up to their windows. Trees are scattered throughout the area, their green foliage partially submerged. A central street runs vertically through the middle of the image, with a few cars visible in the water. In the upper right corner, a green golf course is partially visible, also surrounded by floodwater. The overall scene depicts a severe flooding event.
