

WEEK 13 OVERVIEW

An aerial photograph of a residential neighborhood that has been completely inundated with floodwater. The water is a murky, brownish-grey color, covering the streets, lawns, and yards. Numerous houses with various roof colors (brown, grey, red) are visible, some with water reaching up to their windows. A central street runs vertically through the middle of the frame. To the right, a green golf course is partially visible, also surrounded by floodwater. The overall scene depicts a severe flooding event.
