

WEEK 9 OVERVIEW

An aerial photograph of a residential neighborhood that has been completely inundated with floodwater. The water is a murky, brownish-grey color, covering the streets, yards, and surrounding areas. Numerous houses with various roof colors (brown, grey, red) are visible, partially submerged. Trees and greenery are also underwater. A central street runs vertically through the middle of the image, with a few cars visible in the water. In the top right corner, there is a green area that appears to be a golf course or a park, also partially flooded. The overall scene depicts a severe flooding event.
