

WEEK 10 OVERVIEW

An aerial photograph of a residential neighborhood that has been completely inundated with floodwater. The water is a murky, brownish-grey color, covering the streets, yards, and surrounding areas. Numerous houses with various roof colors (brown, grey, red) are visible, partially submerged. Green trees are scattered throughout the landscape, their lower branches and leaves underwater. A central street runs vertically through the middle of the frame, with a few cars visible in the water. In the upper right corner, a green golf course is partially visible, also surrounded by floodwater. The overall scene depicts a severe flooding event.
