

WEEK 12 OVERVIEW

An aerial photograph showing a residential neighborhood that has been completely inundated with floodwater. The water is a murky, brownish-grey color, covering the streets, yards, and surrounding areas. Numerous houses with various roof colors (brown, grey, red) are visible, partially submerged. Trees and greenery are also underwater. A central road runs vertically through the middle of the image, with a few vehicles visible in the water. The overall scene depicts a severe flooding event.
